Scrumptious Meals

All meals are included in your fishing/lodging package (except your arrival night dinner). A full hot breakfast will be waiting for you each morning to gear you up for a great day. For lunch, you will be provided deli sandwiches made fresh on the boat, hot and cold beverages, home-baked cookies, and snacks. Upon your return to shore, you can enjoy mouth-watering appetizers. Your dinner each night is a variety of flavorful seafood and non-seafood main entrees, accompanied by fresh homemade bread, several side dishes and a delectable dessert, all prepared by our in-house professional Chefs.
Salmon Bonanza

Our style of salmon fishing is called drift-and-anchor “mooching,” which is tons of fun and will keep your rod busy! This area is best known for its ocean-bright, trophy-sized Chinook (King) Salmon and acrobatic Coho (Silver) Salmon. These fish are sure to keep bending your rod and making your reel sing! Feisty Pink Salmon and Chum Salmon are also quite abundant and very fun to catch. Take lots of photos to capture your fishing memories!

Deep Sea Wonders

The Pacific Ocean abounds with marine life. Sitka has a multi-species sport fishery. Besides the main attractions of salmon and halibut, you might also catch lingcod, several species of rockfish; and catch and release salmon sharks, blue sharks, wolf eels, skates, and other species.

Hot Halibut

The ocean waters of Sitka are home to the legendary “barn door” Pacific Halibut. These big flat fish will surely test your arm strength! Catch a “barn door” or to have even more fun, you can use light line and tackle on a salmon rod to catch and take home delicious “chicken halibut” which are the best eaters.

World Class Fishing

Sitka has a multi-diversified sport fishery where you can fish for salmon, halibut, lingcod, and rockfish all on the same day. We welcome both experienced and new anglers. Our hands-on fishing techniques are easy to learn and guaranteed to make your experience exciting and action-filled, especially when you land a trophy fish for which the Sitka waters are so well-known.

Our 30 foot boats have complete walk-around decks and on-board bathrooms.

“It was my first time coming here and it was far beyond my expectations. From the girls serving breakfast, to the captains on the boats, to the deck hands... All in all I give it a 10 star rating. I've been fishing in Hawaii, Mexico, Jamaica, and a ton of fishing in New York. You guys by far are the most courteous and friendly people in the fishing industry. I can only see it getting better. Thank you, Theresa and your wonderful staff for making my experience memorable. ~Joseph U.”
